Dear Prospective Gr. R Parents/Guardians

Durbanville Preparatory Preprimary School: Gr. R Applications for Admissions 2025

The Governing Body of Durbanville Preparatory School wants to inform the Durbanville community of information regarding the application process for admissions to Durbanville Preparatory School for Gr. R learners for 2025.

Durbanville Preparatory School is the only WCED Public Gr. R school in the area. We must abide by the regulations as set out by the WCED.

The school would like to bring the following regulations to your attention:

1. The WCED online system must be used for applications for Gr. R 2025. No hard copy applications will be accepted.
2. The link for online applications is: [Admissions | Western Cape Education Department](#).
3. Applications open 1 August 2024 and close 16 August 2024.
4. Parents are notified 6 September 2024 re: the result of their application.
5. Parents must confirm their acceptance of their application on the WCED online system from 17 – 30 September 2024.

The principal and the Governing Body sent an application to the WCED, requesting an amendment to the admission dates for WCED schools for Gr. R for 2025.

- This application was rejected by the WCED.
- A meeting was held with officials from the WCED to discuss the matter. Our request was once again declined.
- We are aware that the admission process has already opened at the Independent Gr. R schools in the area. This may cause parents stress regarding your child's placement at Durbanville Preparatory School for 2025.

We ask that in the interim you inform the school via email if our school is your first school of choice.

- Email Mrs. Elzette Esterhuysen at admissionspp@dvprep.co.za.
- Please mention any siblings in the school, or any siblings that attended the school in the past.
- All applications will be processed.
- No parent / learner will be penalised if you do not wish to inform the school.
- Please note we offer aftercare and holiday care facilities.

Our Gr. R learners are the school's first point of entry, so please take note of the following information:

- We only have placement for 150 Afrikaans Gr. R learners and for 50 English Gr. R learners.
- Parents of our Gr. R learners do not apply for Gr. 1. **These learners are AUTOMATICALLY transferred to Gr. 1.**
- We only have placement for 300 Gr. 1 learners, of which 200 placements are filled by our OWN Gr. R learners.

- This leaves only 100 placements available for learners from the surrounding schools. We want to emphasise that there is NO independent school that is given preference as a feeder school to our school.

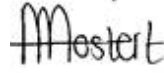

We wish both you and your child a blessed 2024. We look forward to welcoming our Gr. R learners and their families to our Durbie family in 2025.

Kind regards

Mr A. Nel

Governing Body: Chairman

Mrs A. Mostert

Principal
